Requirements: ENVS 130 is a prerequisite for ENVS 450, 680, and 690. Areas A2 and E are prerequisites for ENVS 450. ENVS majors must pass both ENVS 130 and 450 with a grade of C or better.

Complementary Studies (CS): All B.A. students are required to complete 12 units of non-ENVS courses, or any minor, in addition to major courses. See the ENVS website & talk with your advisor about CS; we recommend our set of Environmental Leadership courses to fulfill CS.

Course Availability: Some courses are routinely offered in Fall, Spring, or both every year (indicated above by F or S), however, course availability is subject to change without notice.
